

Workday is here! It's your new associate self-service platform, so we want to ensure that it's filled with the best information possible.

We need your help to do this! When you log in and update your information, you'll be entered to win!

Snap it. Load it. Win it! \$200 Challenge

Sysco is giving away \$200 to 200 associates. Will you be one of them? Joining the challenge is simple. Just follow these steps and you'll be entered into a drawing for \$200!

1. Snap it.

Find the Workday banners in your location. Pick a backdrop and snap a picture for your profile. If you already have a selfie on your phone, you can use that too.

2. Load it.

Go to SyscoWorkday.com and select *Join Workday*. Follow the instructions on how to download the app or update your information via a computer.

3. Win it!

You'll be entered to win once you add your photo and update your contact information — your address, phone number, email and emergency contacts.

The faster you act, the more chances to win! Once you've uploaded your photo and updated your information, you will automatically be registered to win. We will be picking 40 winners each week until **Nov. 30**. Each winner gets \$200. So the quicker you're entered, the more chances you'll have at a \$200 prize! For full details, visit SyscoWorkday.com.

Workday OpCos of Excellence

But wait, there's more! At the end of the challenge, the top three OpCos with the highest percentage of associates who have complete profiles will win a special associate event and bragging rights as the Workday OpCos of Excellence.

So, what are you waiting for? Fill in your personal information, break out those cameras and log in!
