

FROM THE DESK OF

Paul Moskowitz

*Executive Vice President,
Human Resources*

We are ready to continue our implementation of Workday. On Jan. 27, almost all U.S. associates will be managed in one system for the first time at Sysco. This next phase will include the implementation of Workday Recruiting and additional changes to the core system for USBLs, Corporate and SBS. To prepare you for the transition, we're hosting tours between Jan. 22 and Feb. 26. Tours are not required, but I encourage you to join at least one so you're familiar with what's changing. The tours will orient you to new recruiting processes and other areas that will impact you and your associates.
