From the desk of Sandra Angeles – Senior Manager, HRIS & Workday HR Solutions Lead

Managing your career at Sysco just got easier. From Workday, you can search job postings across Sysco's U.S. businesses. When you want to apply for a job, Workday will pull information from your Workday Profile to complete parts of the application for you.

### What can I use Workday for?

Today, there are even more actions you can take in Workday:

- Change personal data like your contact information, emergency contacts, photos, etc.
- Request time off, if you're a salaried associate
- Update pay-related details like direct deposit or tax withholding information
- **New!** View job postings across Sysco in the U.S.
- **New!** Apply for open jobs using information from your job profile
- **New!** Set alerts for jobs matching your search preferences
- **New!** Refer someone you know to a job

### Review Your Information

Sysco introduced Workday in October of 2018. When was the last time you reviewed your personal information? Go to [SyscoWorkday.com](https://SyscoWorkday.com) to link to Workday and use your network ID and password to log in.
