From the desk of Sandra Angeles – Senior Manager, HRIS & Workday HR Solutions Lead

Workday Recruiting is live! This new functionality means one continuous process for creating a position, opening a requisition and working with your Talent Acquisition partner.

Requisitions opened before Jan. 21 will continue to be managed in SuccessFactors until that requisition is filled or closed. If your requisition was initiated but not approved before Jan. 21, it has been cancelled and you will need to re-create the requisition in Workday to begin the recruiting process.
