From the desk of Sandra Angeles – Senior Manager, HRIS & Workday HR Solutions Lead

If you haven't already, log in to Workday today and access your profile to verify and update your personal information.

There are three ways to access Workday:

- 1. From the Sysco network:**  
Just go to The Dish! No separate login is required.
- 2. From your personal desktop or laptop:**  
Go to [SyscoWorkday.com](https://SyscoWorkday.com) and click the *Join Workday* button. Log in with your Sysco network ID and network password.
- 3. From the Workday app:**  
When asked for your employer's name, type Sysco, even if your employer uses a different name, such as SYGMA or Guest Worldwide. Log in using your Sysco network ID and network password.

## Don't know your Sysco network ID?

Contact your HRBP. If you know your Sysco network ID but need to reset your network password, you may do so [online](#) or by calling the Sysco Service Desk at 1-866-981-1190 or 281-584-1190.

For detailed instructions about logging in, [click here](#). Once you're logged in, confirm or update the following in Workday: phone number, email address, home address, emergency contact information and/or photo.
