WIN with
WORKDAY

Sysco is giving away \$200 to 200 associates. Will you be one of them?

Learn more inside.

On Oct. 29, we are moving to our new Workday system.
Workday will allow you to stay connected, and it is easy to use.

You will use Workday to update your personal contact information and manage certain pay-related details, such as your direct deposit.

Workday is perfect for associates constantly on the move. You can use it from your computer (at home or at work), but it is really best used on a smartphone or tablet.

If you are using a smartphone or tablet, download the Workday app from the Apple App Store or from Google Play.

You will need your employer name (Sysco), your Network ID and your password to get into the system. If you do not know your password, call the Sysco Service Desk at 1-866-981-1190.

Your Network ID is: **PLACEHOLDER**
